

INTERACTIVE EXPOSURE and Professional Photography for EVERY Listing!

Maybe this is the first time you're selling a home. Maybe you've sold many. Either way, I guarantee the unique digital marketing methods I utilize when selling your home will be the most advanced methods you've ever seen. It all begins with our professional photography. They effortlessly transform ordinary rooms into visually stunning images. The images are then combined with detailed property information and put into an interactive virtual media presentations that becomes your 24/7 open house. Our presentations handle all forms of media, are mobile ready and accessible all day, every day, worldwide!

Your home tour is *mobile ready and gyro enabled*. This ensures maximum exposure and provides an interactive experience for the viewer.

Our *Exposure Engine* send your listing to the most popular real estate portal; such as: Trulia, YouTube, FrontDoor, Oodle, Lycos, Local, Hot Pads, Vast, Trovit, Geebo, Reachoo, OLX,, Homes.com, HomeSeekers.com, Craigslist, and more.

It's a proven fact that today's home shopper digs for more information on specific properties than ever before when using search engines. Good news! Using our SpiderLink Technology, we make sure your listing ranks in the search engines on your property address. In many cases, your property will appear when they google my name or the name of the real estate brokerage.

More than 90% of home buyers begin their search for a home on the *Internet*.

Real Estate listings with interactive media and a virtual tour receive 54% more views.

Getting an email with a virtual tour on it is one thing, but getting a beautifully organized and well laid out E-Brochure is an experience all on its own. We create and send out custom e-brochures for your listing.

QR codes are suddenly everywhere, and that is just where we want your home's virtual tour. We create unique QR codes that allow interested parties to simply scan the code to view the tour.

We create custom printable flyers that combine stunning photographs and detailed information. Even in this digital age, printed materials still hold an important place.

As your real estate agent, I will continually update your online home tour. My tour technology allows me to make simple edits and changes to your tour such as price changes, phone number changes, profile changes, and listing status changes such as your open house.

TourVibes allow for viewers to give their instant feedback from your interactive virtual tour. People love to "like" and those likes come to us as leads.

Our virtual tour traffic reports break down hits by day, month, quarter, and year. See the number of times your virtual tour has been emailed, downloaded, shared on social sites, viewed on mobile phones, sent to friends, and the number of times tools on the tour are used; such as the our E-Flyer or Printable Brochure.
